

Glass Packaging

**ipeline Packaging**SM

An Employee Owned Company

Why “Pipeline” Packaging

A “pipeline” is a channel that moves resources and information from impractical locations to places where they can readily be used. Through services, products, expert advisory and innovation, Pipeline Packaging will be that channel towards your company’s success.

An Employee Owned Company

Products

We have access to thousands of products to meet your safety, brand and budgetary needs. Steel, plastic, glass, fiber, tinfoil and aluminum are only the first of many options. Sizes, shapes and colors can easily be accommodated. Let Pipeline's specialists help you find the right packaging for your product.

Bottles, Cubitainers and Jars

Available in a variety of plastics, glass and colors. Sizes range from 1-ounce to 5-gallon bottles and jars. Custom packaging molds can easily be accommodated with minimum orders.

Cans

Tinfoil, steel and aluminum cans are available in round, paint-style, f-style, monotop/utility and aerosol. UN-regulated and non-regulated. Our metal or child-resistant closures and various liner options complete your package.

Pails and Tubs

Available in open head and tight head, UN-regulated and non-regulated, all sizes and a variety of colors available as well as decorating options. Steel pails feature a full range of interior linings and exterior coatings. Plastic pail covers include tear skirt, non-tear skirt, UN Standard with and without Rieke™ flex spouts.

Closing Tools

8-1/2", 11-1/4" and 14" closing tools are available in manual and air operated styles. Closing tool repair and loan services are also offered by Pipeline Packaging.

Closures

Closures, pumps and sprayers for all containers are available in a vast assortment of sizes and styles. Choose from metal or plastic screw caps, child-resistant, sealed-for-your-protection and interior tamper proof seals.

Drums and Totes

Fiber, plastic and steel drums as well as industrial tote containers are available in a wide variety of sizes and colors. Ask about corresponding drum lids and tote valves. UN-rated, linings and stackable are just a few options to choose from.

Liners

HDPE and LDPE liners from 1 to 55 gallons are offered in 4-15 milliliter thicknesses. Choice of options such as pleated and anti-static.

Tubes

Aluminum, laminate and plastic tubes in a wide range of sizes. Mono- and multi-layer with solvent resistant barriers available. Minimum quantities may apply.

We Are...

Our people, the foundation of our business, take a genuine interest in serving our customers and meeting their unique packaging needs. We are resourceful, customer-centric and competitive from strategy through fulfillment. As a partner to our customers, we provide knowledge, communication, efficiency and depth of resources that are critical to their business operations.

*Together we share a common goal —
to create solutions that drive customer
success.*

“
Pipeline has offered us excellent
service and fair pricing. Their
staff is both friendly and
knowledgeable, which makes
our business a pleasure.”

People at the CoreSM of Packaging

With 25+ years of experience, we understand that people make products, services, companies and brands successful. Let our proactive approach, timely communication and genuine concern for your success be a part of a winning strategy for you and your company.

You have a lot to manage in your pipeline.

Let our **Good People at the Core** be the pipeline to your success!

PACKAGING...

Protects your product, advises the consumer and promotes your brand.

Comes in a variety of colors, shapes, sizes and materials to safely hold your product and catch the eye.

Announces to the world that your product is here.

Pipeline Packaging can help provide the right choice of industrial or commercial packaging for your product. Our value-added Core Services — such as warehousing or direct ship options, modifications to existing packaging, custom molds, testing and more — provide you with more and better cost-effective options.
